Kenya Training Program CPO / PSD / TECC – TFA (International Version)

There will be a unique opportunity for us in Africa, Real **HECPO Hostile Environment Close Protection Operative, CPO level 5** course combined with **Personal Security Detail level 4** and **international accredited Tactical Emergency Casualty Care – Tactical First Aid** training program in **Nairobi, Kenya!** This specially designed advanced course-mix take place in real conflict conditions to familiarize candidates with unforgiving operations environment and on-duty task activities related to security & defense missions in Africa and hostile areas. We work together our African partners who also provide references for the best participants!

The main organizers are CPU Africa HQ with the CPU HQ and African partners, Atlas Strategy Limited, Forward Defense Strategies Group, CPU Nigeria, IBSSA HECPO section.

The number of places is limited. Have the chance to get all the two major certificates in one course!

10 days of real, hostile, convoy, reconnaissance training, advanced close protection level 5 and personal security detail level 4 drills and techniques. Those involved in the existence of the PSD should thoroughly dig into themselves. First ever combined with the level 5 CPO knowledge. Weapons, cars, weapons handling, emergency solutions, formations, evacuation. Closing the Elite Bodyguard PSD level 4 and a combined CPO level 5 exam, CPU HECPO – Hostile Environment Close Protection certification and some more. And that's not the whole list. The training program will be really complex about the advanced levels of close protection, formations, convoy routines, planning, searching, surveillance, counter-surveillance and much more.

A novelty is that anyone who passed the course, depending on their performance get a work reference letter from our African security partner and also some extras. It will be a whole new challenge!
